ALL THE THINGS WE DID AT NORWOOD

All the things we did at Norwood . . . who could ever forget them? Each day was filled with excitement and interesting activities. From our first day at high school until the night of graduation we can remember days that stand out in our memory.

As eighth graders we had dances and swimming parties at the "Y". We took part in GAA and glee club. We were glad to attend the eighth grade at high school instead of at regular grade school, for we had many advantages over the other kids.

As freshmen, we began to join more activities—musical organizations, sports, and language clubs. For girls, their first Girls' Week thrilled them.

Our sophomore year was highlighted by the annual Sophomore Dance.

The Junior Prom is always one of the best-known events in any high school. As juniors we looked forward to the prom with great anticipation. We also worked hard on the Homecoming. The Washington trip was very enjoyable; and we always cherish our class rings.

When we at last were seniors, many things happened to us. In the middle of the year, we were measured for caps and gowns; and we realized we were nearing the end of our high school career. Once again we enjoyed the Junior Prom, this time without having to work hard on it for weeks.

As seniors, a day not soon forgotten was during Girls' Week. Homeroom songs were written and recalled our school days: "Memories, memories, of days at Norwood High; we'll treasure as the years go by, our joys and all we've done. Our freshman days through senior days have gone so quickly by. We're sorry to leave and know we will grieve for carefree days at Norwood High."

There are many things to be remembered when we think back over our days at high school. Most of them will be recorded in our yearbooks. When thumbing through our yearbook, we will be reminded of happenings during the years—from Girls' Week to Honor Assemblies. As we begin looking through the book, we first see the administration and faculty. They were the ones who helped us with many problems and through numerous difficulties—being good friends to us all the while.

Next come the seniors and underclassmen. We are in there somewhere, either a shy underclassman or a "sophisticated" senior. Gee, we looked different then!

We find even more interest in the next section, activities. We surely enjoy looking through all of the organizations' pictures and hunting for our own smiling face.

The sports' section draws the attention of boys and girls both. Boys try to find their pictures, and girls look for a glimpse of their "big, strong" boy friends. Girls' Athletic Association is included in the sports section; and girls are reminded of the hikes and games in which they took part to earn GAA points.

Between the various sections of the book we find special feature pages. They bring to mind the assemblies and dances, as well as several comical happenings around high school—the "swimming meet" with Talawanda and the "For Sale" sign on the front lawn of the school.

The final section of the book is the ad section. Without these ads, there would be no yearbook. Among the ads are several lists—couples' column, activity calendars, and top hits of that year—from *April Love* to *Oh, Boy!*

The conclusion of our memorable book is dedicated to the yearbook staff who worked so hard to make our yearbook outstanding.

FACULTY

One of the foremost remembrances of our days at Norwood will be the faculty and administration. When we look back over our school years, we will remember the faculty members who were not only excellent teachers but friends to us as well. We'll be reminded of their help, their unending patience, and the hours they spent deciding on the best ways of educating us.

LEFT TO RIGHT: Mr. Harold Funk, Mr. Robert DesRuisseaux, Mr. Charles Evans, Mr. Carl H. Albrecht, Mr. Paul Sullivan, Mr. Paul Leary, Mr. David Ramage.

BOARD OF EDUCATION

MR. CARL H. ALBRECHT
Superintendent of Schools

Our Board of Education, led by Mr. Carl H. Albrecht, works hard in order to keep our Norwood schools ranking high in Ohio and to hold up the high standard of our school system.

The members, elected by the citizens of Norwood, decide the policies under which the school system operates. They direct their attention toward any problems that may arise in the schools. Providing us with competent teachers, attractive buildings and grounds, and up-to-date conveniences proves to be a constant center of their attention. We should realize that the Board of Education is behind all of our improvements and added opportunities during our school years at Norwood.

Mr. Albrecht, former principal of Norwood High School, is Superintendent of the Norwood schools and the executive officer of the Board of Education. The other board members are Mr. David Ramage, president; Mr. Charles Evans, vice-president; Mr. Robert DesRuisseaux; Mr. Harold Funk; Mr. Paul Sullivan; and Mr. Paul Leary, clerk.

All students who attend a Norwood school should be grateful for the dedicated work of the board. We should make good use of the knowledge we gain.

MR. ALBERT GESELBRACHT, Principal; Xavier University, B.S.; University of Cincinnati, B.S., M.E.; University of Pittsburgh.

THE ADMINISTRATION

The administration of Norwood High School is led by Mr. Albert Geselbracht, principal. He has one of the biggest jobs in the school—that of running our high school. He and his three assistants do a wonderful job. He is also advisor of Student Council.

Miss Charlotte Kehm, dean of girls and advisor for several activities, helps girls with personal problems, schedules, jobs, and scholarships.

Mr. Richard Dallmer, dean of boys, has a similar job. He is the advisor for several organizations and is basketball coach.

Mr. Elton Kistler, who is in charge of the Technical School, has an equally difficult job. He is also in charge of night school.

The duties of the administration keep them busy long after our school day is over. They are to be commended for the fine job they do.

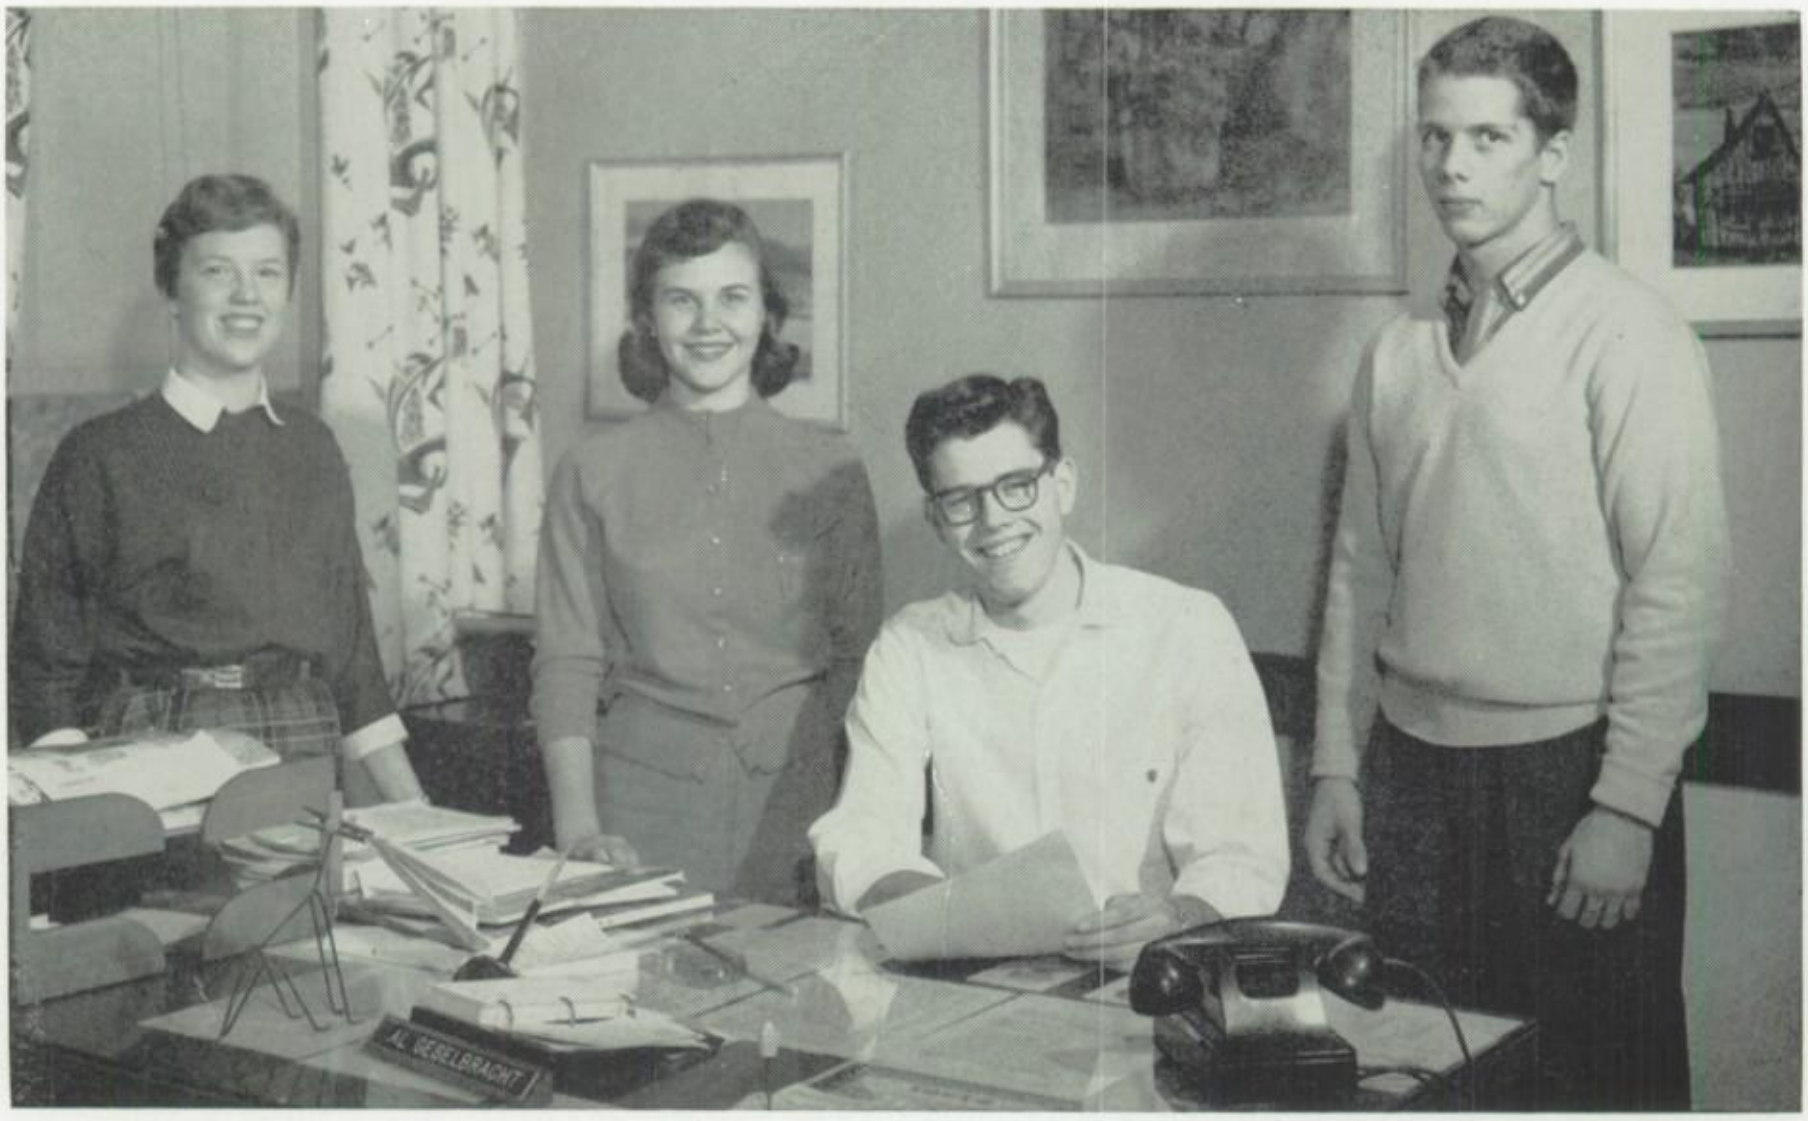
SENIORS

Our senior year . . . it seemed that it would never come. Then, when our last year finally arrived, we realized how fast the years had gone by. Oh, how we would miss our friends, teachers, and the organizations to which we had belonged. For many of us, this was our last year in school. There were many different roads ahead for us; we would, however, always be proud that we had graduated from Norwood High.



M. Lane, J. Lyttle, D. Moore, B. Howard.

THE SENIOR CLASS OFFICERS

OFFICERS

DWIGHT MOORE .....*President*
MAXCINE LANE .....*Vice-President*
JANET LYTTLE .....*Secretary*
BARRY HOWARD .....*Treasurer*

As seniors we walk through these halls of Norwood High; we will not forget the treasured memories made here.

Looking back through our four years, we remember our freshman days, when young, afraid, we joined the clubs and sports. During this initial year we elected Jim Munsie, president; Barry Howard, vice-president; Ron Sowder, secretary; and Jim Beattie, treasurer.

Sophisticated sophomores—we were when we elected for our class officers: Tom Stretch, president; Janet Lyttle, vice-president; Pat Collopy, secretary; and Jim Benjamin, treasurer. A big event for us was our Sophomore Round-up where we named Barbara Hughes and Tom Stretch as the Best-all-around Sophomores.

The Junior Prom—term papers—our first exams—the Washington trip—and the mere fact that we would be seniors made our junior year exciting. Maxcine Lane was crowned Queen of the Junior Prom by our president, Tom Stretch. Other officers for the year were Barry Howard, vice-president; Lois Ann Henson, secretary; and Dwight Moore, treasurer.

Our big year came around at last and we were seniors—Class of 1958. Dwight Moore was our able president during this eventful year. To aid him we elected Maxcine Lane, vice-president; Janet Lyttle, secretary; and Barry Howard, treasurer.

FEATURES

The special features of our school years will always be outstanding in our memories. We'll always recall Girls' Week, the plays, the dances, and the special assemblies. Will we ever forget the ribbons our homeroom won for door decorations or homeroom skits? The Boys' Week sports winners are memorable, too. All these features will remain "forever fabulous."

Do you remember? . . . The first day of school when we went to the wrong gym . . . The sophomore dance . . . The junior prom . . . The trip to Washington, D.C. . . . How we couldn't wait until we were seniors. Our undergraduate years at Norwood were filled with many activities. These years were the ones in which we studied and worked hard, preparing for the life ahead of us.

The junior year of high school is filled with many exciting events. Probably, the most important is the Junior Prom. A great deal of time and effort is spent decorating the fieldhouse for this gala event.

In order to raise money for the Junior Prom, the junior class sponsors the homecoming dance each year.

Another activity is the Junior Follies, a variety show put on by the junior girls during Girls' Week.

Students are also able to buy class rings for the first time.

In the spring, many juniors go to Washington, D. C. They visit Jamestown, Williamsburg, Annapolis, and the Capitol of our nation. Along with the seniors, they spend five days touring the old cities, contrasting them with the modern ones they visit.

Among the activities of the sophomore year is the annual sophomore dance. At the dance the two best all-around sophomores are elected. The money made on the dance is saved for the Junior Prom the following year.

Sophomores play a big role in our sports. Three of the reserve cheerleaders are sophomores and the entire reserve basketball team is made up of sophomores.

By their sophomore year, students have really begun to take an interest in school organizations. No longer are they shy freshman unacquainted with the school. They are all well on their way through high school.

Freshman—the first year of high school. As a freshman, we begin a new school life. There are glee clubs, sports, band, language clubs, and many other organizations to join. A freshman can look forward to his first dances, assemblies, football and basketball games, and meeting many new people.

Each class begins its high school career saying it will be the best class ever to come to Norwood. It is filled with ambitions and hope.

The classes all have the ability to make a good name for themselves. They have four years to use this ability to the best of their knowledge.

HOMEROOM PRESIDENTS: Ray Schmidt, Doris Goins, Larry Mason, Ron Alexander, John Hollified, Gail Eysoldt.

The eighth graders that attend high school have quite an advantage over the students that go to grade schools for the eighth grade. Not only are they able to participate in many regular high school organizations, but they also have their own activities. They have "Y" dances with the eighth graders from the grade schools. At one of the dances, a King and Queen are crowned.

They participate in basketball, football, baseball, and track at their own grade schools.

By taking part in various high school activities, they have a preview of the four years ahead of them.

ACTIVITIES

In future years, we will find many small items that will remind us of the wonderful times we had at Norwood High. These little remembrances may be a program of a play or concert, a corsage carefully pressed in a book, a membership card for one of the many organizations to which we belonged, or even a letter from our "steady."

Student Council, the governing body of Norwood High School, is composed of a representative from each homeroom in the school. It is advised by Mr. Albert Geselbracht, principal. Student Council meets on Tuesday morning to discuss problems and needs that may arise in the student body in the school itself.

Among the various activities of the council is the annual Student Council dance. In addition, it sponsors pep rallies and charters buses for football and basketball games that are away from home. As a special activity this year, signs were made to promote sportsmanship at the games. Familiar sights were "Are you loud—or proud?", "Sportsmanship Shows," and "Cheer—Don't Jeer."

MISS KEHM .....*Advisor*

Girls' Council, consisting of one girl from each homeroom, plans many activities each year. Miss Kehm is the advisor of this organization, which sponsors many outstanding accomplishments at Norwood High.

One of the featured activities of Girls' Council is "Red Flannel's Day," which officially opens the winter season. On that day a style show is held in which the girls model new fall styles.

At Thanksgiving, the group sponsors the making of tray favors. The Red Cross distributes them to childrens' homes and hospitals.

To introduce spring and light cotton clothes, the "Cotton Day" style show is held.

In cooperation with GAA, Girls' Council helps plan and run Girls' Week.

At an assembly held each spring sponsored by National Honor Society, new members are initiated. They pledge to uphold the organization's standards —scholarship, leadership, service, and character. The new members must have maintained these qualities through high school. Fifteen per cent of any class may be elected—ten per cent at the end of the junior year; five per cent in the senior year.

The Norwood High School Honor Society sells pencils with football schedules on them and NHS book covers. It also awards pennants at the end of each grade term to the highest ranking homeroom in each grade.

As a member of Honor Society, a student is provided with excellent recommendation for his future, whether he goes to college or enters a profession.

"I was glad when they said unto me, 'Let us go into the house of the Lord.' "

This is the feeling of the Norwood High students who attend the inter-denominational worship services held by Morning Watch three mornings a week in the Memorial Chapel.

The organization was founded by June Ramage and Phyllis Hauck in 1942 and has grown to a membership of seventy-two. To become a member, all one must do is attend the services regularly. New Testaments, which are donated by the Gideon Society, are awarded to new members.

A committee plans the daily all-school devotions. This year Morning Watch was responsible for the Thanksgiving, Christmas, and Easter assemblies. Thus the pleasure of service accompanies the privilege of worshipping together.

Let's see, did I lock the files, cover the typewriters, and turn out the lights? The last person to leave the SILHOUETTE office each afternoon must ask himself this. The editors work late almost every afternoon to meet the deadline —pictures must be taken, copy must be written and typed, and ads must be gotten.

During summer vacation, Paula Haustetter, editor-in-chief, and Judy McClellan, liertary editor, went to a publications workshop held at Ohio University. They attended classes where they learned about copy-writing, lay-outs, and many problems of putting out a yearbook. On their return, meetings were held with the staff and work on the book was started.

When school started, work began in earnest on pictures, ads, and copy. Paula Haustetter; Bob Richmond, assistant editor; Judy McClellan; John Pfeifer, photographer; and Pat Collopy, advertising manager, stayed late after school with their materials spread out before them on the desks in the SILHOUETTE Office. Other members of the staff were kept busy writing copy, laying out individual sections, collecting ads, and getting subscriptions.

In order to raise money to put out the yearbook, several money-making projects were held. The annual SILHOUETTE dance took place on January 24 after the Norwood-Purcell basketball game. Bob Smith, TV personality, acted as disc jockey. Members of the staff worked hard to make the dance a huge success. Best-all-around Seniors, Bill Hall and Gail Kizer, were elected at the dance. Although the dance was very successful, enough money was not made there alone. Other projects were the sale of a high school teletalk with the names, addresses, and telephone numbers of all students in Norwood High School; and the sale of pictures. Pupils had individual pictures taken on March 10 and 11.

P. Collopy, P. Myers, T. Quigley, D. Moore, L. Anderson.

Finally, on March 15—*Deadline*—the work was over; there would be no more working late after school and no more "friendly fights" with the *Mirror* staff. SILHOUETTE 1958 was finished!

STAFF—First Row: M. Selzer, B. Howard, J. Keller, B. Crane, M. Guentert, C. Ostendarp, D. O'Keefe. Second Row: C. Hardy, S. Harrison, J. Phillips, J. Pfeifer, C. Pettit, L. Walker, G. Huber. Third Row: N. Curran, G. Daum, B. Petering, D. L. Lewis, M. Nieman, E. Weigel, D. Mullen.

Hurry! Hurry! Where's my layout! Where's that ruler? Who put the paste in the wastebasket? These are common sounds around the *Mirror* office. Publishing a newspaper is not easy, and many headaches go with it; but on Thursday, when the students are all reading the *Mirror*, the headaches vanish and the staff is "proud as punch."

Monday begins a new week and a new series of adventures for the *Mirror* staff! On Monday, layouts are made by the page editors and assignments are given to the reporters. Wednesday is D-Day—deadline day—all copy must go to the printer. On Thursday, headlines are written; on Friday, pages are pasted up and galley-proofs corrected. Of course, putting out the *Mirror* is never routine, because with each issue come new problems and new knowledge.

There are times when the editors, Margaret Guentert, Carol Ostendarp, Beverly Crane, Mary Lou Warren, Barry Howard, and Danny O'Keefe, feel like giving up; but when they see the finished product, their spirit is renewed.

Advertising and circulation, necessities to any newspaper, are the jobs of Linda Walker—Advertising Manager; and Jeannette Keller and Salli Harrison—Co-circulation Managers. They must see that the *Mirror* has sufficient funds on which to operate.

Without the assistance of a faculty advisor, it would be impossible to get out a paper. The *Mirror* is particularly lucky, because Mr. Charles Selzer, *Mirror* advisor, is always willing to spend extra time and effort in helping the staff.

This year the *Mirror* was awarded a charter to the Quill and Scroll National Honorary Journalism Society. In addition, several members of the staff were fortunate in winning many honors at regional and state competition.

Last summer, Margaret Guentert, along with two representatives from the yearbook staff, attended a workshop at Ohio University. They learned a great deal about newspaper and yearbook publications; and enjoyed recreation, picnics, and campus tours.

This year's *Mirror* dance, called the "Soda Pop Hop," took place on January 17, after the Anderson Township game, which Norwood won 88 to 52. Janet Lyttle, "Miss News," and Jim Phelps, "Mr. Press," were elected at the dance.

Working on a school newspaper is a great deal of fun, but it is also worthwhile experience. Many of America's greatest newspaper men and women have begun their careers in high school. The students learn cooperation, accuracy, dependability, and punctuality—qualities which are excellent preparation for life itself.

A visit to the French Clubs would prove to be educational in many ways. Not only do the students study the language but the people who speak it as well, thus making the study of a language much more interesting. The French Clubs also engage in various activities which help to bring them closer to the country being studied. One of these activities is the support of the "Save the Children Federation." Through their support a boy and a girl in France are helped to get a better start in life. This activity adds to understanding between the students of French and French children. The two children being supported now are Gerard Quehen and Marie Thomassin. In order to raise money for supporting the children, there must be bake sales, tax stamp drives, collection of dues, and other fund-raising campaigns. A lot of work must be put into all of these activities, thus giving the students a feeling of responsibility and accomplish-

ment. Through the tax stamp drives and bake sales a kind of competition is felt between French I and French II. When the Mardi Gras Dance is planned, however, there is no competition; both clubs work together to make the dance successful. At the dance a king and queen are crowned. The couple this year were Pat Collopy and Bruce Walker. They were crowned by Pierre (Carol Scott) and Gertrude (Jackie Morsbach), the mascots of French Club, which reside in room 113 with their Mats and Kice. (Pierre is a French cat and Gertrude is his mouse wife.)

At Christmas the language clubs caroled in the halls, as is the custom at Norwood. In addition, they sang for the Kiwanis Club. They sang "Il est Nń, le Divin Enfant," and "Le Sommeil de l'Enfant Jesus." All the clubs then sang a verse of "Silent Night" in their particular language.

"As a member of the club, Good Neighbors, I promise to study well the language of the Spanish people and the country in which they live." This is a translation of the pledge of Spanish Club that every member must learn and recite before he may join. In addition, he must recite the Pledge of Allegiance to the Flag in Spanish. Spanish Clubs meets on Thursdays after school in Mr. Wilson's room, 212, where different members give reports on Spain, Mexico, and other Spanish-speaking countries. They study customs, famous buildings, and costumes, thus gaining a better understanding of their Spanish neighbors and their ways of living.

Two traditional events of the club are the visit to the Spanish Inn and caroling in the hall at Christmas time. Students go to the Spanish Inn and, amid the candlelight, order their food, using the language they have been learning. They also enjoy

listening to Mr. Wilson "rattle off" in Spanish to the owner of the inn. At Christmas, all the language clubs carol in the halls, entertaining students during homeroom bell. This year, Spanish Club sang *Noche de Paz*, *Cascabeles*, and *Pastores a Belen*.

In February a special meeting was held. A feature of the meeting was Ray Lahey. He showed slides and told about his vagabond trip to Mexico. He started down the Ohio River in a rowboat, thumbed his way to New Orleans, and from there continued to Mexico. He gave a very interesting report about his trip. In addition, some girl members of the club did a Mexican Hat Dance, and two boys told jokes in Spanish.

It is very obvious that the members of Spanish Club are learning as much as they can about their friendly neighbors, thus living up to their club motto, "Los buenos vecinos."

Latin Club students this year were kept busy proving that Latin is not the "dead language" that it is believed to be. One of the activities in which they participated was caroling in the halls at Christmas time. All three language clubs take part in this traditional event. Among the songs they sang were "Adeste Fidelis" and "Sancta Nox." We know these as "O, Come, All Ye Faithful" and "Silent Night." As a new Christmas activity this year, the language students sang carols for the Kiwanis Club. A few of the outstanding students from each club were chosen to sing.

After the Christmas holidays, Latin Club sponsored the Roman Holiday Dance. At this dance, a Queen of Beauty was elected. This year's queen was Jackie Morsbach, with her attendants, Linda Walker and Helen Dockery. She was crowned by Jeff Sittason, president of Latin I. All three girls received presents; the queen was also presented with a golden apple. It was a custom of the Romans

to present a golden apple to the most beautiful girl at their festivals.

Latin I and Latin II competed with each other by having a bake sale. The class making the most money was then treated to a party by the losing class.

Latin Club again joined the Junior Classical League this year. It is a national organization to arouse more interest among Latin students. It also helps the students to learn more about the Romans and how their traditions affect our way of life today. Each of the pupils received membership cards and silver pins. Throughout the year they also received a monthly magazine telling of the activities of other Latin Clubs in the United States. The Junior Classical League held its convention in Columbus and many Norwood High members attended. They enjoyed meeting Latin students from other cities as well as learning more about their Roman ancestors.

THE APOLLO CHOIR

Apollo Choir, pictured at right, is Miss Ewing's pride and joy. It consists of twenty-five A or B students. Before this traveling choir was started, it was impossible to give programs away from home because there were too many members to travel. Now, with a smaller choir, they can accept many offers.

The Apollo Choir has sung for the Kiwanis Club, the P.T.A., the Salvation Army, and the grade schools.

This choir can be distinguished from the other choirs by their theme song, "Let There Be Music."

All of their programs are concluded with "The Lord Bless You and Keep You."

At this year's Christmas program, Apollo sang, "'Twas the Night Before Christmas," by Waring. This was a very enjoyable part of the Christmas program.

THE NORWOOD CHOIR

If you ever manage to get to school around eight o'clock some Friday morning, you are likely to notice that the choir has already begun practice. The "big choir," as it is often referred to for distinction between it and the smaller traveling choir, is composed of the best singers from all the glee clubs.

Working on different programs presented throughout the year and their special selections for the annual Spring Concert keeps them quite busy. This year the choir also sang with the Cincinnati Symphony Orchestra under the direction of Thor Johnson.

Heading the choir this year are: Jackie Morsbach, president and accompanist; Pat Dinse, vice-president; Sandy Cushman, treasurer; and Pat Edwards, publicity manager. The choir's successful fund-raising project was the sale of chocolate.

For many freshman and sophomore girls, Wednesday afternoon after school is always booked up. The explanation is very simple: the Zeta Girls' Glee Club practices at this time. The girls work hard until four o'clock on their music for the concert and special programs.

The Alpha Girls' Glee Club is mainly composed of junior and senior girls; however some sophomores are admitted if their work is promising. Alpha rehearses at 8:00 every Tuesday morning.

Omicron, the boys' glee club, adds much to the school's display of fine music. They rehearse at 8:00 on Thursday morning.

The girls and boys in the glee clubs find that it takes a lot of work before the special programs and long-awaited Spring Concert are ready for presentation. When the night of the concert comes, they are glad they worked hard and are able to sing with confidence.

Here comes the band! A cheer goes up as the Norwood High School marching band takes the field. The band practices all week in order to present an entertaining show, as "2000 A.D.," or "Calypso Holiday." There is also a pep band of about twenty members which plays at pep rallies.

After the football season, the concert band rehearsing for their spring concert. In addition, one class period a week is devoted to group sectionals.

The school orchestra, selected by Mr. J. R. Phillips, band director, plays at assemblies, Senior Class Play, and Drama Class Play.

Mr. Fred Saumenig, grade school instructor, gives private lessons and is of great assistance to band members.

The majorettes this year are Pat Collopy, Captain; Jeannette Keller, Margie Powell, Yvonne Philpot, Nancy Saatkamp, Susie Glassmeyer, and Sandy Stout. With their batons twirling and in perfect step, they lead the band across the field. They also perform at the pep rallies.

The purpose of "N" Club is to create more interest in athletics, to promote initiative and leadership among athletes, to encourage a higher standing for athletics and to promote sportsmanship and fair play.

Membership is open to all boys who receive either freshman numerals or a letter. Each year the club sponsors a dance and the president of the club crowns Varsity Vic and Kampus Kate. The members also attend various sporting events around the city.

A big event each year in the club is the initiation of new members. One regular meeting after the football season is over is set aside for this. The initiation includes an egg-throwing contest and relay races. The prospective members also write a poem stating why they want to join "N" Club. After the initiation, the boys get together for refreshments. The president then reads the constitution of the club and explains the purpose of "N" Club to the new members.

"N" Club is also responsible for the programs at the football and basketball games. During the summer the boys are kept busy contacting prospective advertisers for the program. Some of the boys sell candy at the games.

A scholarship is given each year to some deserving member of "N" Club.

The club meets on the second and fourth Monday evenings of each month at 7:30 in the "N" Club room.

CHEERLEADERS

VARSITY CHEERLEADERS—Left to right: L. Stevens, L. Henson, L. Walker, G. Kizer, S. Wallace, J. Benham.

"Ready-o? Let's go!" With these words, the six varsity cheerleaders led the Norwood teams to victory. This spirited group was composed of seniors Gail Kizer (Captain), Linda Stevens, Lois Henson, Linda Walker, and juniors Sandy Wallace and Joan Benham.

During the football season, school spirit was given a boost by the presentation of several unusual pep rallies. In one, the cheerleaders dressed up like real hep-cats, representing the football team, and sang "Give Me the Beat."

When the basketball season arrived, the varsity cheerleaders donned new uniforms matching those worn by the players. They wore blue wool circular skirts, white shetland sweaters, and matching blue wool collars. Red N.H.S. letters sewn on the sweaters, white gym shoes, and wool socks completed their outfits.

Encouraging the Junior Varsity were the peppy reserve cheerleaders. These four girls, headed by junior Mary Jo Regan, added much to the enthusiasm of the crowd for their team. The other three on the squad were sophomores Charlane Mitchell, Janie Nast, and Janis Gannaway. They also dressed to match their team, by wearing knee-length red corduroy skirts, with blue N.H.S. letters on the straps, white blouses, and blue gym shoes.

It is the job of the cheerleaders to promote school spirit and good sportsmanship at all times. To be a cheerleader takes a lot of work, practice, and unlimited energy. The cheerleaders are chosen in the spring and are advised by Miss Marilyn Whisler.

The main idea behind Camera Club is enjoyment and learning. A student does not have to own a camera, only possess attentive interests in photography, to join the club.

The club works on the point system. So many points are given for everything a student does in Camera Club. At the end of each year, the student with the most points receives a prize.

Many activities highlight the year for Camera Club members. At their meetings, monthly reports are given on the phases of photography. In addition, every month brings a new photo contest in which the members enter the best photographs they have taken.

Each year, several field trips are taken around the city. This year the club visited the Cincinnati Police Station, where they learned how the police departments use photography in their work. Another field trip took them to greenhouses. There they took pictures of the flowers and plants.

Several parties were held at various members' houses. The host or hostess showed slides, or a visiting speaker gave a talk on photography.

Camera Club received two free cameras this year from the Argus Company. They are an Argus Super 75, which is a twin-lens reflex, and a C-3 35mm with a 50mm interchangeable lens and a coupled rangefinder. Both cameras have synchronized flash attachments and carrying cases. These cameras will be used by camera club members on field trips.

The Projectionist Club of Norwood High School resides in homeroom 311. All movies that come in during the year are shown by the club. The boys in the club give up their study halls to show the movies. They must have high grades and be civic-minded and willing to work. Their spare time is given up to running projectors for classes. Approximately 600 movies are shown each year. Very seldom are these movies run only once a day—six classes may view the same movies at different times during the day.

In addition to the movies, the projectionists distribute record players, radios, tape recorders, film strip projectors, and opaque projectors throughout the school when they are needed by teachers.

The boys, advised by Mr. Howard Gaeb, are in charge of any assembly in which pictures are used.

Forty-six teachers participated in the Visual-Aid program and took advantage of the boys' knowledge and experience.

Two field trips are taken each year by the Projectionist Club—one to a local industry. The other this year was a trip to the Cinerama theatre downtown where they examined the equipment needed to show the Cinerama movies.

The Projectionist Club promotes the disc jockey each year, also. The "Dee Jay" is provided with records to play by a local record shop. The two disc jockeys this year were Barry Howard and Jim Phelps.

Cosmetology girls are again this year engaging in many charitable works. These girls are also learning to help others and gaining valuable experience. Throughout the year the girls make numerous trips to Drake Memorial Hospital, Hamilton County Home, and Rollman's Receiving Hospital, where they perk up the patients by giving them permanents or haircuts. The girls are really rendering a pleasing service by helping these ladies.

An annual Christmas program is given by the girls in Cosmetology Club for a charitable organization. This year it was given for the Old People's Home, which is maintained by the Little Sisters of the Poor. Gifts, refreshments and used clothing were given to the people in the home. Funds for this project were raised by a Christmas sale of cards and toys.

Students in Cosmetology Club are chosen for general appearance, neatness, and ability. Almost all the girls taking cosmetology hope to become professional hair stylists. Mrs. Wahlert and Mrs. Tharp teach and guide these girls to become experts in their field.

This year four seniors entered the Student Hairstyling Contest held in Louisville, Kentucky. Four junior girls were their models. Carol Dufresne placed second in the contest. Her model was Donna Sowder.

The girls in Cosmetology Club are helping take care of the bulletin board that was added to the Technical Building first floor last year.

PM CO-OPS

The Distributive Co-ops study the techniques of salesmanship and gain experience by working in different stores in our community.

Mr. Sheppard is their advisor, and under his direction they decorate the display windows on the third floor of the Technical Building. Norwood merchants lend the merchandise used in decorating these windows to the students.

One of the annual activities of the Distributive Co-ops is the Employer-Employee Banquet. Each student brings as his guest his employer at his co-oping job.

The Distributive Co-ops sponsored a dance, the Co-op Hop, this year. Will Lenay, radio personality, was a special feature of the dance.

The club attended a national meeting at Columbus. They spent a whole day at Ohio State University, where they met with Co-ops from other cities, attended a dinner, and enjoyed entertainment.

Along with their other activities, they interview merchants in Norwood. The merchant tells the students about his business and his goods.

The A.M. and P.M. Co-ops, pictured at left, are Commercial Co-ops. They work in offices all over the city. They, too, gain valuable experience, although of a different type.

The Hi-Y gives boys in the community a chance to participate in activities outside the high school. The boys take part in numerous events throughout the entire year.

Among this year's activities were several dances put on by the club. They also attended many athletic events at Cincinnati Gardens. A basketball team was formed among the boys, and the team entered the City Hi-Y Basketball Tournament.

This past summer, many enjoyable events took place. One of them was the holding of camp-outs at one of the member's farms.

The boys in Hi-Y visited many places of interest this year, as in past years.

With the excellent supervision of Frank Kurtz, the advisor, new members are inducted twice a year. The formal induction takes place at a local church.

The Youth in Government Caucus was held at Norwood High this year; Larry Anderson and John Pfeifer were elected officers for the Mock-Session of the Ohio State Legislature.

The purpose of Sigma Alpha Tau, the freshman-sophomore club better known as "S.A.T.," is "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character." "In spirit, always together," states briefly and clearly the motto of Sigma Alpha Tau.

Frank Kurtz advises the club in its activities and counsels the boys. George Keustner, the head of the boys' department, and Mrs. Schultz, the "Y" secretary, have given a "helping hand" in the club's affairs.

SPORTS

What would school be without sports? Who could forget the excitement of the football games . . . the tension of the league basketball games . . . or the time Mr. Dallmer was almost put under the shower in his good suit when our basketball team won the championship? Our sports are necessary to school spirit and loyalty. The boys who participate in athletics learn sportsmanship and, most of all, working together as a team.

FOOTBALL TEAM

Mud! Rain! Injuries!—These things will be memorable of the '57 football season in which three games were played on a damp field, two in mud, and one in a cold, muddy "puddle" of water. During the season the team's co-captains were both injured. Les Barlow, senior tackle, received an ankle injury in the opener against Miamisburg and returned to action in the Walnut Hills game in which Barry Howard, senior tackle, was disabled for the season with a shoulder injury. Larry Anderson, Marion Banta, and Tom Hock were also injured in the opener with Miamisburg. Banta and Hock returned to action in the Walnut Hills game, but Anderson was out for the remainder of the season. This was merely the beginning, for the Indians seemed jinxed in this department all year; in fact, the entire team was weakened by a flu epidemic before the Lockland game that caused the Talawanda contest to be postponed.

In the preview at Elder Stadium the Indians seemed to show good possibilities for the coming season. They conquered McNicholas 6-0 on a 63 yard quick-opener by Hock and were nipped by mighty Purcell 7-0.

The Indians opened the regular season traveling to Miamisburg where they lost 25-0. Miamisburg was strong, but their 6-0 halftime lead did not leap until the loss of several key Norwood players occurred. The Indians' two bright spots were the kicking of Bruce Walker and the fine running of Ralph Frieberger.

Despite injuries suffered, the team made a night of it on a muddy Sherman Avenue gridiron against neighboring Woodward. Having never lost to this rival, they defeated them again 9-0. Though outweighed, the line held defensively the first half and the intermission score was 0-0. In the third quarter Winston Gould slanted off tackle from the three for the score and the extra point was run by Howard. Tom Stretch got the other two points by cornering

Woodward halfback, Ted Mayer, in the end zone during the fourth quarter. This game was a real battle because of the vastly improved Woodward squad.

With several off the injured list, the Indians hoped to knock off a fast and highly-touted Walnut Hills outfit, but could not recuperate after the Eagles scored on their first series of plays. The team fought back with Hock scoring on a fifty-yard scamper. The P.A.T. was missed, and the score was seven-six. At half the score was 20-6 and in the second half Walnut added nineteen more points against the low-spirited Indians. Daryll Wagner nabbed a touchdown pass from Hock behind the Walnut defense in the fourth quarter. Hock converted and the final score was 39-13, leaving Walnut Hills undefeated in four starts.

Renewing an old rivalry, the Indians were guests of the Taylor Yellow-Jackets the following week, but Taylor was not particularly hospitable, as the final score was 21-0, Taylor. Durham and Morris played well for Taylor, and Kourlas and Walker displayed good football for Norwood. Taylor scored only seven points in the second half, but the Indians couldn't match them though they were in Taylor territory several times.

Norwood won their Homecoming game 12-0 against preview victim, McNicholas. Hock and Walker scored and Bill Klein and Ron Pence looked very good. The game was not exceptional, but the team looked much better after two straight losses; and morale was given a much needed boost.

The Lockland game followed two weeks of flu. Pence and Sears did an excellent job, but it was not good enough to beat the Panthers. A 26-0 halftime score ended 41-13 on touchdowns by Hock and Walker. Litchtenberger played excellent football for Lockland, who ended up Millcreek Valley champs.

pulled out the season's last victory. With a scoreless first half behind them, because of a great defensive battle, the Indians, led by V. J. Sears, scored on a sneak by Pence. The P.A.T. was added The team almost scored three other times as they penetrated the Hurricane defense effectively the second half. This victory was a fit conclusion of a very hard week of practice.

The final two games of the season were with Wyoming and Talawanda at N.H.S. The first was played on a wet, muddy field; the other in what seemed to be a shallow lake. Highy-rated Wyoming beat Norwood 27-0. The Indians just couldn't start rolling the first half, but Gould began to move the ball the second half. Talawanda, though the identity of both teams was doubtful due to mud, scored twice in the first half, and this proved sufficient. The Indians held the second half, but the closest they came to scoring was when Gould and sophomore Bill Barnes combined forces battering their way through the rugged Braves' line until they were stopped within the ten. Both games were grueling affairs and the Indians didn't quite have what it took to win. Wyoming lost only one game during the season and Talawanda was undefeated. Although the Indians lacked the size of past seasons, as well as Sid King's scoring punch, they played very good football on several occasions. This year's opponents were much improved as their records will show.

The junior varsity squad had only three games this season as weather and Varsity injuries put more work on the shoulders of the reserves. The team's scrappiness was encouraging as the J.V.'s won two and lost one.

Next year promises to bring a few surprises as it is hinted that the Indian offense may undergo a few changes. The potential in such boys as Larry Anderson, Jack Taylor, Daryll Wagner, Tom Hock, V. J. Sears, Hank Sellers, Bill Klein, Larry Hathaway, and Mike Proffitt also gives hope for a better record next year; however, it is doubtful as to whether spirit could be better than this year's "eager eleven."

This year's seniors competed in the Hamilton County League in all sports except football. Taylor was the only league foe this year, but next year will see Norwood encountering league competition in contention for the championship. With a little work and support perhaps that championship will come to Norwood.

FRESHMAN FOOTBALL

Norwood's freshman football squad seemed to have difficulty this year in maintaining a consistent attack. They opened their season with a 0-0 deadlock with Deer Park. Although neither team was exceptional, some fine running was exhibited. This was followed by a loss to Wyoming, 25-0. The Cowboys seemed to have a sharp outfit. The Papooses then got into the winning way by defeating Wisacky's Boys' Club, 40-7. This was offset by a second loss to Wyoming 18-6 in a combined Frosh-J.V. game. The Frosh showed much promise as they closed the season by holding the tenth graders to a tie in the Frosh-Soph scrimmage.

The Frosh hoopmen had another "potential" season this year. Though their record was 5-7, past freshman squads have not always had impressive records, yet have turned out players that have led Norwood's Junior Varsity and Varsity squads to successful seasons. Don Parker led the frosh in scoring this year with a better than 14 points per game average. In one game Don collected 23 points as the Papooses lost to Withrow. With a year's experience the frosh players should do well, for their main problem this year was inconsistency. The entire team showed considerable promise as all the boys saw action during the season. The teams beaten by this year's squad were Elder, St. Xavier, Reading, Wyoming, and Lyons Junior High.

BASKETBALL TEAM

Basketball Champions of the Hamilton County League 1957-58! That's the Norwood High Basketeers who, in their first year of HCL competition, copped the title with a perfect 7-0 record.

Opening the season in their new baby-blue uniforms, the Indians met the Milford Eagles on the remodeled Elm Avenue court and came up with a 72-44 victory with five men in double figures. Two days later the tribe traveled to the Eagle's nest at Walnut Hills. This contest was not so easily decided. However, with co-captains Bill Hall and Bill Merckel scoring 24 and 21 points respectively, the Indians outscored the Eagles the last quarter, leaving three cold periods behind, and ending with a 79-65 victory.

The Indians were victorious in their first two league games as they downed Colerain and Sharonville. Hall led scoring against Colerain with 20 and the game ended 79-46. The Sharonville game was much tighter as the highly-touted Indians (ranked 1st in the city and 22nd in State) were nearly upset; however, Merckel and Barry Howard split 30 points and Jim Phelps added 14 more as the Tribe won out 75-71.

The Indians then traveled to Ross Township where a close first half turned into a rout the second half. Having adjusted to playing without ailing Merckel, the Indians poured in 44 points in the last two periods. Thompson, Ross' 6'5" center, gave Norwood a rough time underneath until Bill Woodward, junior center, stopped him and scored 12 points himself. Hall led the 72-56 scoring with 21 points.

Christmas vacation again saw the Indians in the Lockland Holiday Tournament where the Tribe met Lockland in its opener. Phelps and Dial scored 17 and 15 points in the 61-51 win.

The following night the tribe succumbed to Woodward 49-62 in the finals. Strobel scored 16 and Reis 14 for the Bulldogs. This loss was Norwood's first.

In the first game of the new year the Indians traveled to the lair of the Withrow Tigers and gave them a 72-56 spanking. The second half saw the Indians score 48 points to Withrow's 29, and collect 72 rebounds to Withrow's 28 for the game. Thomas led the Tigers with 22 points, while Hall and Dial scored 19 and 17 respectively.

The next night the Indians fell to the Talawanda Braves 62-64 in an upset. Norwood couldn't score at vital times, while the Braves couldn't miss. Four players, led by Thompson with 28, did all the Braves' scoring. Norwood's comeback was not strong enough; however Dial finished with 19 and Phelps had 14.

The next league game saw Norwood down Glendale, who boasted the highest scoring average in the city. Glendale was on top for three quarters, but the tribe came back with 33 points the last quarter. Although Pike and Chenault hit 22 and 21 points for Glendale, Merckel exploded for his best night of the year with 30 points and 22 rebounds. Hall and Phelps shared 40 more.

The night after the tense Glendale game the Indians met Woodward again. Merckel held 6'11½" Reis to 13 points, but Strobel scored 25 and Hersch, 16, for the Bulldogs. Hall hit for 16 and Phelps, 15; but the tribe, out-rebounded for the first time, fell 60-75.

Anderson's Redskins, defending HCL champs, came to Norwood and left with an 88-55 loss. Six-eight Merckel again led the scoring, this time with 26 and Hall added 20 more.

The next contest was with traditional rival, Purcell, who fell to Norwood 77-52. Purcell remained

within two points of the Indians the first half, on the shoulders of Staubach, who scored 22 points in the game. The Indians scored 49 the second half with Bill Hall ending with 26—one of four Indians in double figures.

Norwood rolled over Harrison the next week 93-50 for the season's highest total and most field goals, 37. Merckel scored 27 points in two quarters as the reserves played most of the game.

The Indians then knocked Sycamore from championship contention with a 63-55 victory. The Indians trailed through most of the game, but Hall's 25 points and Merckel and Dial's 13 apiece was too much for the Aviators, whose high man was Driver with 16.

The next night the Indians broke their Saturday night jinx by beating Hamilton Catholic 63-60. The Indians came from behind on the strength of Merckel and Hall's 15 and 18 points. Shuler had 19 for the Rams.

Taylor, after a loss to Colerain, came to Norwood seeking the league co-championship, but the Indians were after the title. The result was one of the most outstanding games a Norwood team has ever played. Taylor could not compete with Norwood's ball-playing as the tribe closed league play with an 82-61 win. Hall scored 28 and Dial 22 as the game ended with Norwood the Hamilton County League Champs with a perfect record in their first year of league play.

The Indians ended the regular season with Wilmington furnishing the competition. Norwood had no trouble as they won 64-45. Norwood's defense was strong, and Hall and Merckel scored 13 apiece.

Norwood's Indians came into the District tournament with a 15-3 record and the third seeding. Norwood drew the Owls of Mt. Healthy for their first game and were victorious 64-45. Though Norwood was not impressive next to the hot outside shooting of the Owls, they maintained a lead throughout the game. Merckel took scoring honors with 20 followed by Dial with 14.

The next tournament game saw the Indians upset by the Panthers of Elder by two points. Matching last year's victory, the Panthers maintained a lead over the cold Indians throughout the game. Near the end the Indians began to hit with the pressing team playing. At the end of regulation time the tribe had tied the score 47-47. The game went into an overtime of 3 minutes which ended scoreless. The last overtime was sudden death with the first team to score two points winning. After losing their opportunity the Indians were helpless as Elder's Casey attempting to draw a foul, shot a scoop shot that richocheted in. Norwood's tournament hopes ended there.

The tribe ended the season with a 16-4 record just short of last year's, but the tribe again placed a player on first team All-City as Bill Hall won the honor. Carl Bouldin was All-City last year for Norwood.

JUNIOR VARSITY BASKETBALL

This year's Junior Varsity Basketeers had a successful season on the strength of twelve victories and five defeats. The J.V.'s took on Hamilton County League competition for the first time with a 6-1 record earning them the co-championship. The one loss was to Anderson, the other co-champ.

In the J.V. tournament against league foes the cold Indians lost to Taylor by two points.

Leading scorers for the year were Eddie Eaton, Mike Poynter, and Bill Barnes. Jack Hern and Poynter grabbed the most rebounds and led in total free throws made. Gary Hobt, Larry Hathaway, Jack Taylor, Pete Schroeder, Jerry Reynolds, Bill Pinson, and Eddie Baker all showed good stength. These sophomores will all be vying for positions on the Varsity nert year. Good luck!

Lacking the experience and depth of past seasons, this year's Cross Country team showed promise for next year. With the support of one letterman, Captain Larry Whitaker, and one senior, Jurgen Diedrich (new to Norwood this fall), they were victorious once, at Avon Fields.

The loss of veteran harrier Dick Gruenemeier, who placed in the top twelve in the District Meet two years straight, was not easy on the team. There were many young runners on the team, including Whitaker, who received valuable experience. Norwood can look forward to success in this sport in the future.

TRACK TEAM

Led by acting Captain Bill Stackhouse, due to the football injury of Captain Snowden, Norwood's 1957 track team had an excellent season. Senior veterans, two experienced juniors and a host of sophomores captured two firsts and two seconds in four triangular meets, one trophy and runner-up in the Hamilton County League meet, and one trophy and fourth place in the Harrison Relays. For their first effort in league competition, they made a fine showing. The season concluded at the Southwestern Ohio District Track and Field Meet, where Stackhouse and Parks placed in the discus and pole vault respectively.

"Postponed because of rain." This was heard often last spring and it had a depressing effect on the baseball team's record. Led by Captain Chuck Wolf and veterans King, Kleb, and Bouldin, the Indians compiled a record of 4-8. The team did not have the depth or pitching power of the years in which Philadelphia rookie Chet Powell attended N.H.S., but they fought hard. One odd occurrence was the loss of a no-hitter by Bouldin on Indian errors. The team gave experience to promising talent as Tom Hock, Gary Hobt, and others who will strengthen this year's team.

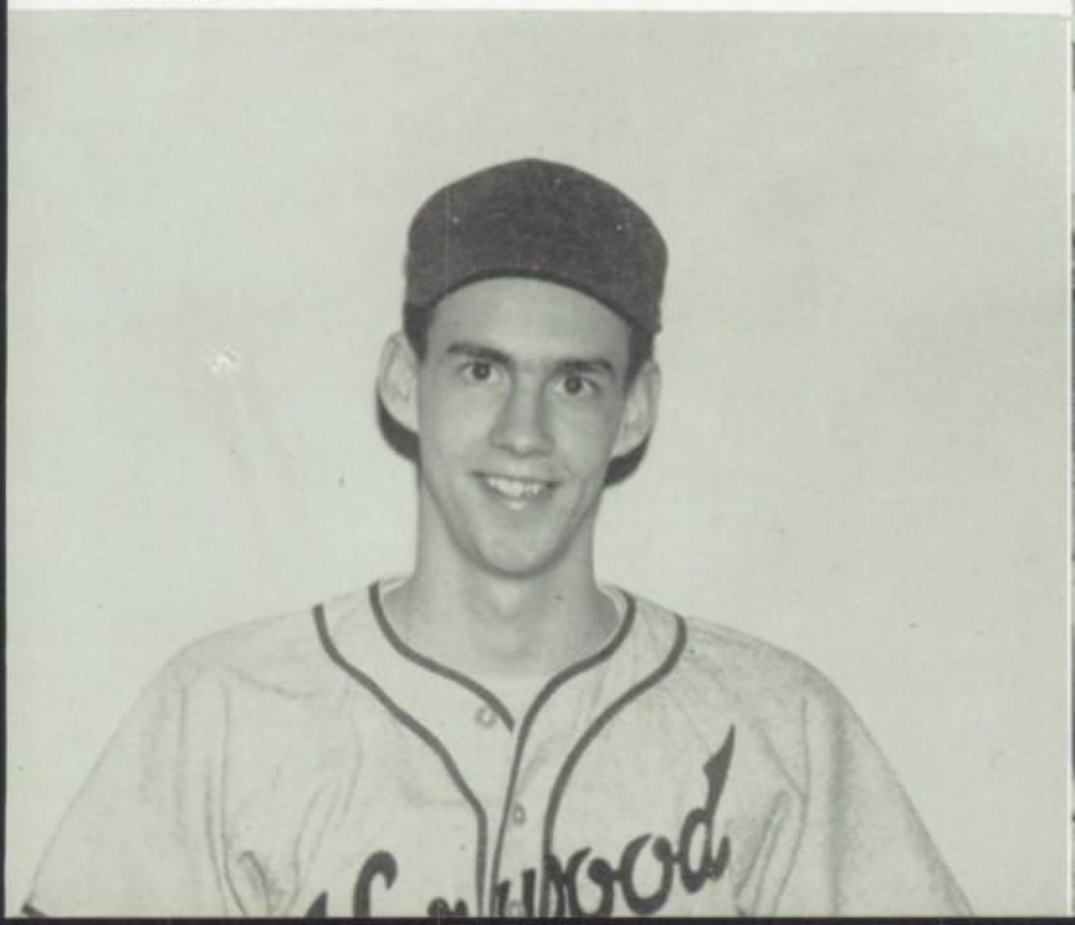
This year's intramural program has not been as active as in past year, but those boys who took part did so enthusiastically. Some of the championships won were bowling—103, football—217, and basketball—210. Bowling enjoyed the most participation this season and an interest was developing in golf. Mr. Gerrard headed the intramural activities and joined with Mr. Dallmer to set up the Boys' Week schedule, which included boxing, wrestling, and basketball. The seniors swamped the juniors with 59 points, while the freshman hoopsters were downed by the sophomores. Boxing and wrestling again furnished some added excitement; and the Senior-Faculty "Classic" saw the seniors barely nudged out by two points in a "down-to-the-wire" thriller.



GIRLS' ATHLETIC ASSOCIATION

First Row: Miss Whisler; B. Crane, Treasurer; J. Morsbach, Vice-President; E. Weigel, President; L. Henson, Secretary; Mrs. Ruley. Second Row: J. Campbell, Bowling; J. Benham, Junior Representa tive; S. Wallace, Swimming. Third Row: J. Gannaway, Sophomore, Representative; L. Bowman, Modern Dance; C. Ostendarp, Tennis; P. Haustetter, Hiking; P. Edwards, Archery; M. Marsh, Hockey; L. Walker, Basketball; D. Barlow, Volleyball.

The Girls' Athletic Association is one of the biggest organizations at Norwood High. The only requirements to become a member are to be a female member of the NHS student body and to participate in any of the ten sports offered. Girls gain points toward emblems and letters through participation in the various sports.

The GAA board is the governing body along with Miss Whisler and Mrs. Ruley, the advisers. The board consists of four officers, ten managers, and two representatives, all of whom are elected in the spring of the year. Senior board members nominate girls for the offices, and any GAA member with at least 50 points can vote on the final members.

GAA helps to plan the program for Girls' Week activities.

"N" Girls: Left to right: L. Bowman, E. Weigel, D. Barlow.

"N" GIRLS

One of the highest honors that can come to a member of GAA is to receive a big "N". Girls spend many hours working toward this goal. To receive a big "N," a girl must have at least a total of 500 points. Usually a girl is in her junior or senior year when she is awarded a letter, because of the large number of points required to earn it. The points are attained by taking part in GAA sports around the year.

Big "N's" were given this year to Ellen Weigel, Dorcas Barlow, and Linda Bowman at a special awards assembly which was held the last day of Girls' Week.

HOCKEY

Hockey is becoming a very popular sport with the girls at Norwood High. Sometimes it is a little cold outside, and sometimes one gets a few scratches here and there from a stray hockey stick; but all in all the game usually proves very exciting. Besides learning all the rules and details about this game during gym class, teams are formed which play against one another after school. In this way the girls improve their skill and learn to play as part of a team. During the hockey months of October, November, and December, GAA points are given out by manager Margie Marsh. Five points for each attendance adds up rather quickly toward an emblem.

VOLLEYBALL

"Rotate" and "use both hands" are just two of the common expressions used while playing volleyball. This sport is usually enjoyed during November and December, and teams are formed for competitive games. After several general practices, the tournament begins; and as they say: "May the best team win!" Dorcas Barlow, volleyball manager, gives points for attendance which go toward an emblem. Volleyball is taught in gym class during this same period; therefore everyone is familiar with the sport and is able to meet the requirements for a team. This equal knowledge helps greatly in interesting the younger girls to participate in GAA activities; because even if one isn't the "greatest," one still knows how!

HIKING

Any bright Saturday morning you are likely to see a group of GAA girls gaily starting on a little hike. For the first mile or so, pep and enthusiasm reign, but soon Paula Haustetter, hiking manager, begins to hear a few rumors. "Golly, I wonder how far we've come!" "Gee, am I thirsty!" However, the fun continues, and before long their destination is reached. These hikes are usually taken to various local parks, and GAA points are given for participation. After a long rest, during which their lunch is eaten and stories are told, the girls begin their return journey. When they finally reach the high school—weary, but happy—they hike homeward.

BASKETBALL

"Charging! Personal! One free throw!" cry the officials as another basketball season opens.

Girls earn points toward basketball emblems by playing in games, refereeing, and keeping time and score. As Girls' Week approaches, homerooms form teams and compete for trophies which are awarded the final day of Girls Week.

This year a trophy, a golden basketball, was awarded the winner of the loser's tournament which was 223. On Tuesday of Girls' Week a game was played in the fieldhouse between 211 and 105 to determine the champion. The results were 211 runner-up and 105 winner of the winners' tournament. The runner-up received a silver trophy; and the winner, a large gold trophy.

MODERN DANCE

"Oh! Those aching muscles!" is one of the cries which comes from the NHS modern dancers after their first practice.

Although modern dance is comparatively new, it has attracted a large number of girls. At first, girls practice and warm-up; then they divide into groups, which choose a theme and record and begin to make up a dance that expresses their feeling toward a thing. At the end of the year a program is presented. Lacking experienced dancers this year, the group decided not to have a performance and merely to practice for the coming year.

Girls receive five points for each practice and fifty points for their performance.

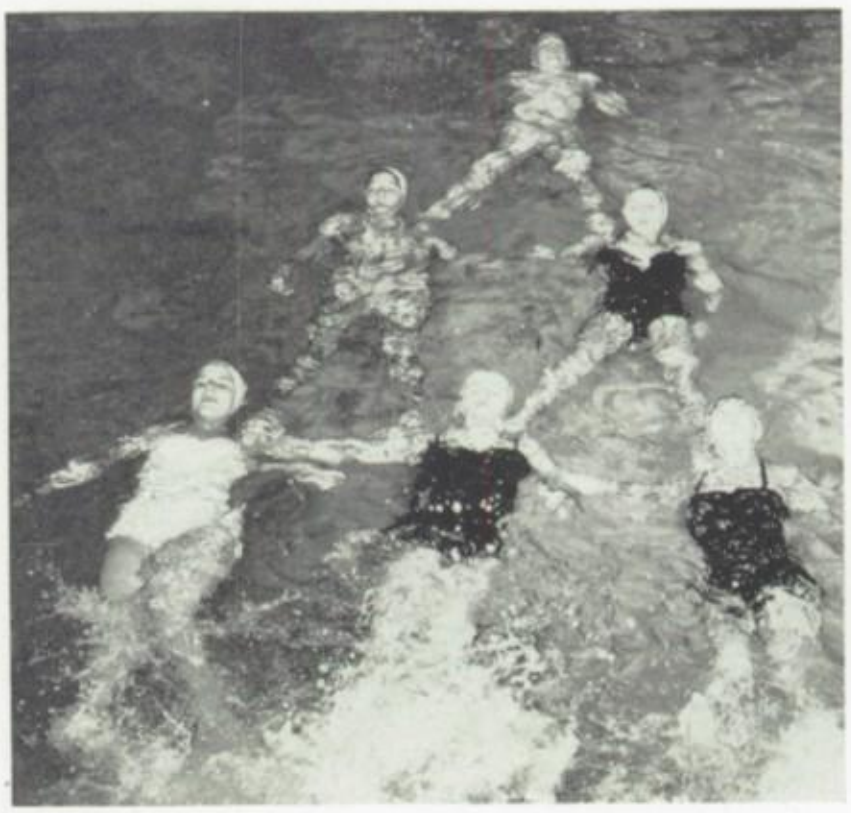
BOWLING

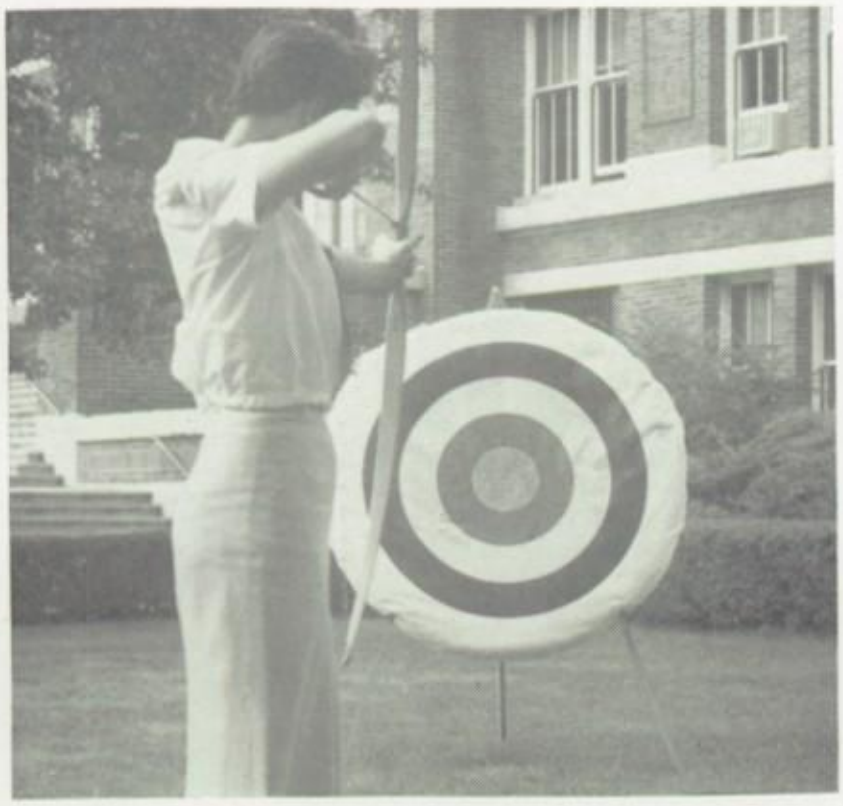
Any Tuesday afternoon you are likely to see girls hurrying up the pike to get a favorite alley or ball at Stacey's. Bowling has become one of the most popular sports of all GAA activities. It is a sport of skill combined with the fun of a few gutter balls. The thrill of that first strike is always at hand.

Besides all the fun and friends, many GAA points may be earned by going bowling. Five points are given for attendance; after participating six times, a girl receives one-half of the average of all points scored for her total. Upon earning one hundred points, a girl is presented an emblem. These points also go toward a girl's Big N.

SWIMMING

DANGEROUS WHEN WET! This may be applied to the girls who attend the GAA swimming events held throughout the year. Girls compete in swimming meets, each grade trying for the most points. Free swims are held often during the year. In these periods girls may practice swimming or receive help from Mrs. Ruley. One of the most important of the swimming groups is Dolphin Club. Junior and Senior Lifesaving are given alternately. This year Senior Lifesaving was given by Mrs. Ruley; and Mr. Wolf helped to give the final tests. Swimming Manager Sandy Wallace gives 5 points for attendance and 1 point for each five lengths. Points are awarded for lifesaving and Dolphin both.





ARCHERY

Every year when spring rolls around it brings with it archery, one of Norwood's most popular spring sports. Arrows fly and the thud of an arrow hitting the target means a lot to any girl. Cries of delight greet success while exclamations of dismay may be heard from those who have missed the target. Our modern-day Robin Hoods work out on the school's front lawn once a week under the supervision of Miss Marilyn Whisler. Archery Manager Pat Edwards gives each person who attends the after-school activity five points for attendance and extra points on the basis of their scores. Any girl interested in learning archery or in practicing may attend.

BASEBALL

The Babe Ruths of Norwood High School find an outlet for their extra energy in GAA baseball. Talent is not necessary—only the desire to play and have a good time. Girls' homerooms form teams for the spring tournament. Each team elects its own captain and practice days are provided. Umpiring is done by Miss Whisler, whose decisions are often argued as vehemently as those of the umpires of the major leagues. Competition is keen, and often rooms challenge each other to games other than those played in the tournament. Baseball Manager Nancy Hammond awards five points for attendance and extra points for each game the girl's team wins.

The teetotaler who "never" touches alcoholic drinks "never" becomes a common drunk or alcoholic.

Making legal the sale of alchohol did not change alcohol's nature or effects. It is still the same old habit-forming, poisonous, narcotic drug, and will cause the drinker to wreck his car, waste his money, lose his job, forget God, and play the fool.

It causes arrests for murder, manslaughter, drunken driving, disorderly conduct and vagrancy.

"Tragic women from 18 to 70, some in mink coats and some in poor clothes,—others, teachers, nurses, professional and business girls swarm into a doctor's office with the same tragedy . . . alcoholism. Thirty to forty of every hundred can be helped, and the others are doomed more certainly than if they had cancer."

AFTERTHOUGHTS

As we editors turn the pages of this year's SILHOUETTE in future years, we will remember all the time and effort that was spent in getting the book out. At first we took our time and thought, "We have plenty of time—seven months until deadline." We knew there would be plenty of time to work on pictures, copy, and ads. Oh, how mistaken we were! Suddenly it was only a month until deadline; and the book was not nearly finished. We began working later every day after school. Several nights we did not go home for supper; food was ordered from Frisch's and work continued until long after it was dark outside. Many times we had to call our patient mothers and tell them we would not be home when we told them we would. Would they please hold our supper for us?

As we walked home late at night, people would stare at us and wonder if we were just coming home from school. They did not know how hard we had been working on the SILHOUETTE.

But, of course, we made the deadline, by fifteen minutes. As everyone rushed to the post office, they knew their work had not been in vain. The last page was finished, the deadline met, all copy written—at last the book was finished!
